Sophisticated interior.

Travel in style in the Territory's elegant interior. From the luxurious fabrics and organic lines to the chrome and satin finishes, the Territory's interior reflects the vehicle's sleek, stylish exterior, while the ergonomically designed layout of the cockpit puts all the vehicle's essential features at your fingertips.

Kinetic Design.

The sleek exterior incorporates Ford's Kinetic Design philosophy, demonstrated through its bold, dynamic lines and full, sculpted surfaces. This philosophy creates the illusion of 'energy in motion', even when the vehicle's standing still.

Eye catching detail.

The show-stopping Territory features stylish projector headlights and impressive 18" alloy wheels' with unique machined face finish. With detailing like this, you'll be the envy of your street.

Technology comes with the Territory

Boasting a whole range of innovative features, the Territory is smarter than ever. It's intuitively designed to make your life easier and more enjoyable, and once you try it you won't want to drive anything else.

Hands-free music and entertainment.

With the latest in voice control and music streaming technology, your music is now as portable as you are. With USB and iPod integration and *Bluetooth*® streaming capabilities, SYNC®2 allows you to use simple voice commands to listen to your tunes. So now you can hear what you want to hear, when you want to hear it, all without taking your hands off the steering wheel.

Hands-free phone.

Hands-free voice control lets you concentrate on the road while making phone calls. SYNC®2 can connect with your mobile phone and let you seamlessly transfer calls between your car's audio system and phone. You can call your friends and family by name, and never miss a moment. Just ask SYNC®2 to read your text messages out through the car's speakers, and your eyes never have to leave the road.

Voice activated climate control.

Travel in complete comfort with dual zone climate control¹ that allows both the driver and front passenger to set and maintain their optimal temperature. Using SYNC®2 with voice control drivers can change temperature without lifting a finger off the steering wheel.

Voice activated satellite navigation².

Let your sense of adventure guide you, not a lack of directions. The SYNC®2 voice activated navigation system combines GPS technology with 3D mapping to give you turn-by-turn navigation. Just say the word, and we'll take you there.

Advanced diesel technology comes with the Territory

The Territory's diesel engine is cutting-edge. It's cleaner, more economical and quieter than you'd imagine a diesel could be.

Territory Titanium shown in Smoke.

2.7L V6 Common Rail Turbo Diesel Engine.

Enjoy optimal performance and efficiency across the Territory range with the 2.7L V6 Common Rail Turbo Diesel Engine. Common rail technology provides improved power, torque and fuel efficiency as well as reduced noise levels and CO₂ emissions. So when it comes to the Territory diesel, there really are no compromises.

A smoother drive.

Adding to its impressive fuel economy is a surprising level of quietness and Territory's renowned handling, the Territory diesel has the driveability you would expect in a petrol sedan and the fuel economy you would expect in a much smaller car. In fact, the only way people will know you're driving a diesel is from the badge on the back.

Technology comes with the Territory

Boasting a whole range of innovative features, the Territory is smarter than ever. It's intuitively designed to make your life easier and more enjoyable, and once you try it you won't want to drive anything else.

Reverse camera.

In the Territory, safety starts before you even leave the driveway. Standard across the range, the reverse camera automatically activates when the vehicle is engaged into reverse gear. The wide-angle fish eye lens gives a 130° view up to 10 metres behind the vehicle, giving you visibility and protection against things you wouldn't normally see.

Dynamic Stability Control with Rollover Mitigation.

Dynamic Stability Control (DSC) strengthens your connection to the road and helps you avoid the problems of oversteer and understeer. DSC tracks the vehicle's movement and then works in tandem with Traction Control and ABS to help keep the vehicle under control. Working in conjunction with DSC, the rollover mitigation sensors help prevent rollovers caused by extreme lateral forces.

Overseas model shown.

Surrounded by safety

The Territory is engineered so that every element plays a part in helping you keep you and your family protected. With a range of driver and passenger airbags, it's no wonder the Territory has the maximum 5-star ANCAP safety rating.

1. These results are obtained from controlled tests conducted by Ford Motor Company to Australian Design Rule ADR81/02. The actual fuel consumption you achieve will depend, however, on many factors including your driving habits, the prevailing conditions and your vehicles equipment, condition and use. 2. All performance data for petrol models measured using 95RON fuel. 3. Maximum towing capacity uses a genuine Ford heavy duty tow pack with load levelling kit. To comply with these limits, occupants and/or luggage may need to be restricted. For further details regarding passanger and luggage restrictions, please consult your authorised Ford dealer and/or refer to the Territory owner's manual under 'Trailer Towing' for further guidance.

Notes

Quality

We design and build your Ford to feel as good after many years of service, as it did the day you picked it up. And to drive just as beautifully, too.

Sustainability

Using advanced technology, we're committed to creating vehicles with improved fuel economy, reduced CO₂ emissions and a lower overall cost of ownership.

Safe

Ford's Intelligent Protection System uses sophisticated technology designed to help prevent an accident and, if one should happen, to help protect you.

Smart

Vehicles with smart, intuitive technologies designed to connect you to your world and many clever solutions from Ford that make life a little easier.

3 Year/100,000km Warranty¹

Covers your Territory against defects in factory materials or workmanship for the first 36 months or 100,000 kms – whichever comes first.

15,000 kms Service Intervals¹

Improved oil technology and engineering refinement has enabled Ford to offer normal scheduled service intervals of 15,000 kms or every 12 months, whichever comes first.

Ford Roadside Assistance¹

For the first 36 months or 100,000 kms – whichever comes first, Ford gives new Territory owners complete peace of mind motoring with New Zealand's most reassuring roadside emergency service. Free accommodation or a free rental car are just some of the outstanding features of this unique service.

Five Year Perforation Corrosion Warranty¹

Covers the original vehicle's body against perforation corrosion for the first five years of its life.

Ford Customer Assistance Centre

You'll always find us responsive to your needs. Telephone 0800 FORD NZ (0800 367 369).

Finance and Lease Options

Choosing how to finance your vehicle is a major decision – My Ford Finance can get you the Ford you want, when you want it. Fully maintained or non-maintained operating leases remove the worry

of depreciation, inflation and more importantly do not tie up your capital in an asset. Other forms of financing are also available. Flexible deposits and repayment terms mean that a plan can be structured for your specific needs. See your Ford Dealer to discuss your financing or leasing requirements.
